DETAILED ACTION

This is in response to amendment filed 12/06/04.

Allowable Subject Matter

Claims 47-70 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art fail to disclose a method comprising applying a first method from a first execution object, wherein determining a value is missing for at least a first input parameter to said first function as recited in claim 47.

As per claims 48-53, which depended on claim 47, therefore they are allowed.

The prior art fail to disclose a method comprising applying a first method from a first execution object, wherein determining a value is missing for a set including at least one of the accessed keys as recited in claim 54.

As per claims 55-60, which depended on claim 54, therefore they are allowed.

The prior art fail to disclose a method comprising providing an execution object that identifies said metadata object, wherein said execution object includes a method, which when applied, causes said function to be invoked using the values identified by said structure as input parameter as recited in claim 61.

As per claims 62-64, which depended on claim 61, therefore they are allowed.

The prior art fail to disclose a method comprising applying a first method from a first execution object, wherein each of a plurality of metadata objects identify a different function having one or more output parameters, said output parameters for the different

functions collectively defining a set of parameter kinds, each parameter kind in said set being assigned a unique key, each said plurality of metadata objects storing the unique keys assigned the output parameters of the function they identify as recited in claims 65 and 69.

As per claims 66-68 and 70, which depended on claims 65 and 69 above, respectively, therefore they are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
